INC.,

Plaintiff,

v.

THE UNITED STATES OF AMERICA,

Case No. 20-2016 C  
Judge Silfen

JOINT STATUS REPORT REGARDING STATUS OF DISCOVERY

The parties, plaintiff Amentum Environment & Energy, Inc., formerly known as URS Energy & Construction, Inc. (“URS”), and defendant the United States of America (the “Government”), have been conducting discovery under a scheduling order that requires them to jointly submit a status report every 30 days updating the court on the progress of discovery. ECF No. 50. The parties therefore respectfully submit this joint status report updating the Court on the status of their efforts.

Since the parties’ last status report, the parties conducted additional depositions: the depositions of fact witnesses for URS took place on April 9, 2025, and April 16, 2025, and the deposition of a third-party witness took place on March 20, 2025. The deposition of a government witness is scheduled to take place on April 21, 2025, and the Rule 30(b)(6) deposition of URS has been scheduled for April 29, April 30, & May 1, 2025. On April 7, 2025, URS filed a motion to compel in connection with documents clawed back on the basis of attorney-client privilege by the government, and the government will be filing an opposition on April 21, 2025, with URS’s reply due on or before April 28, 2025. The parties are continuing to

work to schedule additional depositions and expect to conclude fact discovery by May 23, 2025, pursuant to the Court's March 20, 2025, Order.

Respectfully submitted,
